

PROCEEDINGS OF THE NEW YORK ENTOMOLOGICAL SOCIETY.

MEETING OF MAY 21, 1895.

Held at the American Museum of Natural History.

President Zabriskie in the chair. Ten members present.

Dr. E. G. Love and Mr. Martin Birnbaum were proposed for active membership by Mr. Beutenmüller.

An invitation from the Newark Entomological Society to attend their field meeting on Decoration Day, at Orange, N. J., was received and accepted with thanks.

A lot of rare insects from Florida and New Hampshire were donated to the Society by Mrs. Slosson with the request to sell them for the benefit of the JOURNAL. On motion a vote of thanks was extended to Mrs. Slosson.

Mr. Palm spoke on collecting insects and exhibited his apparatus. Adjournment.

MEETING OF JUNE 4, 1895.

Held at the American Museum of Natural History. President Zabriskie in the chair. Twelve members present.

Dr. E. G. Love and Mr. Martin Birnbaum were elected active members of the Society.

Mr. Zabriskie told how the foot stalks of the leaves of the maples at Flatbush, Long Island, were injured by some insect which caused them to fall, but was unable to detect species.

A discussion as to the merits of sweeping and beating for insects was held by Messrs. Palm, Schaffer and Münch.

Mr. Münch described his collecting trip to Delaware Water Gap with Messrs. Palm and Ditmars.

Adjournment.
